## CREATING WEB

have created a web with html and css and I am also competent in teamwork.

## CODING

I've been coding in various languages such as C++, Python, Java

(2023-2027)  
**Universitas Komputer  
Indonesia**  
Information system

(2020-2023)  
**SMA Negeri 8 Bandung**

## TEAMWORK ON MULTIPLE PROJECT

I did some coding with the team and managed it well and I was able to identify some errors that occurred in the code that my team was working on.

## DATA PROCESSING PROJECT

I have managed, evaluated and analyzed the data provided by the lecturer, and I can manage the data processing well.
